***Lehigh Railway and Owego & Harford Railway excursion***

The NEREX team is pleased to announce our Lehigh Railway and Owego & Harford Railway excursion for the weekend of August 22nd & 23rd, 2020. On Saturday the 22nd, we will travel approximately 100 miles on a round trip from Athens, PA to Myo beach, PA along the Susquehanna River. Numerous twists and turns along with two large bridge crossings are a few of the highlights of this day. Since the railroad is busy with freight traffic, we may meet trains on this day. On Sunday the 23rd, we depart Owego, NY for an approximately 50 mile round trip to Harford, NY. We usually have breaks and lunch at the Newark Valley Depot but, due to the Covid-19 virus, the wonderful people at Newark Valley have closed the station for all of 2020. However, we have arranged a slightly different plan and instead will run the length of the railroad and on the return to Owego, we will stop at Jackpot Ritchie's for a lunch hosted by NEREX. This lunch is included as part of this excursion. We will then return to Owego around 2pm to allow for your return trip home.

Due to limited seton space at both locations, this excursion will be limited to **25** motorcars total and there will be no mentoring available. Hyrails are permitted with prior permission of the lead EC only. As with all NEREX excursions, this is a single excursion and no individual day discounts will be offered.

Rob Piligian, along with the NEREX Team, will coordinate this excursion.

Lodging options, for those interested, to follow.

Come ride with NEREX and have a fabulous time on the Lehigh Railway and the O&H Rwy.!

**Sign-up form attached. Note that  
the mailing address for you to  
return your registration is different
