### **VERMONT RAIL SYSTEM, WHITE RIVER JCT, VT to NEWPORT, VT.**

#### **Saturday & Sunday, September 6 & 7, 2025**

The NEREX team is pleased to announce our 2025 overnight excursion on the Vermont Rail System.

On Saturday we will travel approximately 100 rail miles from White River Junction, VT to Newport, VT, traveling along the Connecticut River. There are numerous twists and turns along the river with many bridge crossings.

We will spend Saturday night in Newport. One hotel room per car at the Newport City Inn & Suites is included. As part of this weekend package, we also include ground transportation in Newport, dinner Saturday night at the Le Belvedere Restaurant (directly on Lake Memphremagog), breakfast Sunday morning will be at the East Side Restaurant (also on the lake), and overnight security for your car at the Newport tie down.

You will have your choice of 3 entrees for dinner Saturday evening, beef, chicken or salmon. Breakfast Sunday morning will be buffet. We will also include Sunday lunch.

Following breakfast Sunday, we will head back to White River Junction from Newport traveling back the same 100 route miles. We usually get back to White River Junction around 3 in the afternoon giving everyone the option of an early start for home.

Due to the large number of cars allowed we will be offering an early seton Friday afternoon from 4-6 PM. Overnight security will be provided for cars that set on early.

NEREX has arranged a block of rooms for Friday evening at the Comfort Inn located in White River Junction, for anyone interested. The group rate is \$185 including tax. Ask for the NEREX group rate. You need to call the hotel directly, 802-295-3051, to get this rate,

As with all NEREX excursions, this is a single excursion and no individual day discounts will be offered. All cars should be capable of maintaining 30mph safely and comfortably. Those unable or unwilling to do so should consider NOT registering for this excursion.

There is a 40 car limit for this excursion. As is NEREX policy, registrations via US Postal Service only, first come, first served. Come ride with NEREX for a fabulous time on the Vermont Rail System.

For "The NEREX Team",

Jesse Mazzie
