**June 7, 2020, Sunday
The Stourbridge Line/DL&S Railroad**

NEREX is pleased to announce a 1-day, approximate 48 mile round trip excursion on The Stourbridge Line.

Our seton will be in Honesdale. After the Safety Meeting that morning, we will head to Lackawaxen, home of the Roebling Bridge across the Delaware River. Our journey will take us along the Lackawaxen River and features rock cuts and other natural features in beautiful Northeast PA scenery. We will turn at Lackawaxen and return to Honesdale, possibly seeing an eagle or two along the way.

Please note that this excursion is being conducted on the same weekend as the Delaware-Lackawanna Railroad excursion hosted by New Jersey Trackcars on June 6, 2020. You may sign up for the NJ Trackcars excursion, which is separate and not included in the cost of this NEREX excursion, by visiting <http://www.njtrackcars.org/>

Again, these two excursions are separate and if you wish to attend either or both, you must register with each organization and pay separate fees.

Rob Piligian & the NEREX team will be the excursion coordinators for this trip.

Lodging details for the day will follow. Food and lodging will be on your own.

There will be a 30-car limit for this excursion and no mentoring is available.

Come ride with NEREX and have a fabulous time on The Stourbridge Line.
