

VERMONT RAILWAY, WHITE RIVER JCT to NEWPORT Saturday & Sunday, October 3th & 4th, 2020

The NEREX team is pleased to announce our 4th excursion on the Vermont Rail System for Saturday, October 3 and Sunday, October 4, 2020. On Saturday we will travel approximately 105 route miles from White River Junction, VT to Newport, VT along the Connecticut River. There are numerous twists and turns along the river with many bridge crossings. The fall foliage should be very nice.

We will spend Saturday night in Newport. One hotel room per car at the Newport City Inn & Suites is included. As part of this weekend package, we also include ground transportation in Newport, dinner Saturday night at the beautiful East Side Restaurant (directly on Lake Memphremagog), breakfast again at the East Side on Sunday morning and overnight security for your car at the Newport tie down. You will have your choice of 3 entrees for dinner Saturday evening, beef, chicken or salmon. Breakfast Sunday will be buffet. We will also include Sunday lunch.

Following breakfast Sunday we will head back to White River Junction from Newport traveling back the same 105 route miles. We will try and get back as early Sunday as we safely can.

We will be offering an early seton Friday, October 2nd from 4pm - 7pm. Overnight security will be provided for cars that set on early. As with all NEREX excursions, this is a single excursion and no individual day discounts will be offered. Hy-Rails and children under the age of 10 with prior approval only by the EC of record. All cars should be capable of maintaining 30mph safely and comfortably. Those unable or unwilling to do so should consider NOT registering for this excursion. Operators of cars with a history of unreliability may be refused registration.

For your convenience, attached you will find a copy of the registration for this October 2020 NEREX Vermont Rail Excursion. We have elected to limit the number of cars to 30. We are doing this because of CV. We do not know how many people will sign up for this excursion or how much help we'll have to hold it. There **ARE** travel restrictions! We encourage you to register for the excursion but **PLEASE** look up what the state requirements are. Currently there is an in state quarantine in Vermont based on where you live. You will notice on the application we are requiring to know your state and county of residence. If you live in a **RED** zone you will be required to self-quarantine in the state of Vermont for 14 days **PRIOR** to attending the excursion.
